Dear Authors and Readers,

We take great pleasure to launch our new journal, *Journal of Clinical and Experimental Orthopaedics* (JCEOP). On behalf of JCEOP editorial team, I would like to welcome you all to the readership of JCEOP. In this journal emphasis will be to create and promote high-quality scientific manuscript that will be challenging, thought provoking and bring best science to JCEOP for our readers.

JCEOP objective is to reach the entire scientists as well as clinical practitioners, which help us to improve our knowledge and treatment. JCEOP provides a forum for exchange of information on cancer related bone degeneration, orthopedic oncology,

Department of Orthopedics, University of Maryland School of Medicine, USA.

pediatric orthopedics, osteoporosis, foot and ankle surgery, knee replacements, osteopenia and arthritis.

Finally, we are delighted that you are joining us as readers and we also welcome comments and suggestions that could be beneficial for us to improve the quality of the journal.

Lastly, I should thank all our submitting authors. We hope JCEOP will be informative.

Best Regards,  
Aditi Gupta
