

Editorial Note on Journal of Clinical & Experimental Orthopaedics

Dear Readers

I am pleased to mention that during the year 2019, all issues of volume 5 were published online well within the time. Journal of Clinical & Experimental Orthopaedics over the years has published 5 volumes which consisted of conference proceedings on various research areas related to orthopaedics and its allied fields.

The journal has indexing and archiving in:

- Index Copernicus
- Google Scholar
- China National Knowledge Infrastructure (CNKI)
- Directory of Research Journal Indexing (DRJI)
- Publons
- Geneva Foundation for Medical Education and Research
- Secret Search Engine Labs

All Published work is licensed under a Creative Commons Attribution 4.0 International License

During the calendar year 2019, IPJCEO received a total of 75 papers. In the 5 volumes published from the year 2015 till 2019, a total of 69 articles were published (at an average of 4-5 articles per issue) of which, 70 % articles were by foreign authors. The articles published in IPJCEO have been cited 667 times by eminent researchers all around the world.

The Journal of Clinical & Experimental Orthopaedics brings together an expert Editorial Board, which comprises of noted scholars in the field of clinical Orthopaedics. Every single article is subjected to rigorous peer review by illustrious scientists. In addition to Research Articles, the Journal also publishes high quality Commentaries, Reviews, and Perspectives aimed at synthesizing the latest developments in the field, and putting forward new theories in order to provoke debates amongst the scholars in the field. The journal thus maintains the highest standards in terms of quality and comprehensive in its approach. The Editorial Board of IPJCEO consists of 23 eminent researchers as the Editorial Board Members and one accomplished researchers as the Editors-in-Chief. IPJCEO follows a double blind peer review process. The peer review process takes 21 days to be published after the acceptance of the manuscript and the work flow of the manuscript takes 45 days and a manuscript number will be e-mailed to the corresponding author within 72 hours. Journal Clinical and Experimental Orthopaedics is the Council Contributor Member for Council of Science Editors (CSE) and follows the CSE's slogan 'Education, Ethics, and Evidence for Editors'. IPJCEO follows a progressive editorial policy that encourages researchers to submit the original research, reviews and editorial observations as articles, well supported by tables and graphic representation.

I take this opportunity to acknowledge the support rendered by the editorial assistant in bringing out the issues of IPJCEO in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IPJCEO, the office bearers and staff of ImedPub Publishing for their support in bringing out yet another volume of IPJCEO and look forward to their unrelenting support to bring out the Volume 6 of IPJCEO in scheduled time.
